~ Our Guiding Mantra

Founder Speaks

At Vivekananda Global University, we believe that education is the cornerstone of national progress. With this conviction, we have created an ecosystem that nurtures innovation, ethics, and excellence in every learner. Through our Online and Distance Education platforms, our aim is to ensure that no learner is left behind in the journey toward transformation. Education must empower and at VGU, that power is now just a click away.

Dr. K.R. Bagaria

Ex-Member, RPSC.
Founder & Vice Chairperson, VGU

Dr. K. Ram, IPS (Retd.)

Chief Patron, VGU

Education is about building a meaningful life. With Online VGU, we ensure that the power of knowledge reaches even the remotest parts of our nation. We aim to empower minds and inspire futures, regardless of where our learners begin their journey.

Mr. M.R. Bagaria, RAS (Retd.)

Patron, VGU

In today's rapidly evolving world, the way we learn must evolve as well. Online education is a necessity that empowers individuals to take ownership of their growth, regardless of place or time. At VGU, we believe that true education is not confined to classrooms, but thrives where there is a will to grow.

Er. Onkar Bagaria

CEO & Trustee, VGU

The world is changing faster than ever—and so must education. Online VGU is our way of bringing global quality learning to every home worldwide. It's flexible, it's affordable, and most importantly, it's yours. The future belongs to those who dare to upgrade themselves—and we're here to support that dream.

Dr. Lalit K. Panwar, IAS (Retd.)

Chairperson, VGU

In a time when technology is transforming education, VGU leads with accessible, inclusive, and flexible online programs. I take pride in our commitment to shaping future-ready professionals through a student-centric, digital-first approach.

Er. Anil Bagaria

Dy director, VGU

At VGU, our mission is to create an ecosystem that nurtures creativity, critical thinking, and leadership preparing our students to become global change makers. With dedication to excellence and collaboration, we are shaping the future of society and turning the aspirations of our learners into achievements.

Guided by Vision, Grounded in Values

Leadership Speaks

Prof. N. D. Mathur

President, VGU

At VGU, we are committed to academic excellence, innovation, and inclusion. Our online programs are designed with rigorous academic frameworks and practical relevance, ensuring that our learners receive nothing less than the best—wherever they are.

Prof. D.V.S. Bhagavanulu

Pro President, VGU

VGU is redefining the way education is delivered in today's fast-evolving world. At Online VGU, we are committed to fostering a dynamic learning environment that empowers students to excel and become leaders in their respective fields.

Dr. Praveen Choudhry

Registrar, VGU

VGU is proud to extend its legacy into the digital space through Online VGU. Our online programs are thoughtfully designed to maintain academic rigor while providing the accessibility and support required for success in today's fast-paced world.

ASSESSMENT & EVALUATION

At Online VGU, the assessment process is designed to ensure academic integrity, learner convenience, and fair evaluation. Combining cutting-edge technology with learner-centric practices, our system supports continuous assessment and transparent examination outcomes. Aligned with the UGC's guidelines for online learning, we emphasize both knowledge acquisition and its real-world application. Our examination approach, enhanced by AI proctoring and expert support, gives learners the flexibility they need without compromising on quality or rigour.

Key Highlights of Our Examination & Evaluation Models :

30:70 Assessment Model

30% internal assessments and 70% end-term examinations for balanced evaluation.

Hybrid Virtual Proctored Examination System

Exams are monitored through a combination of on-campus human proctors and AI-enabled remote proctoring, ensuring exam integrity regardless of location.

Pre-Exam Preparation & Support

Mock exams, training sessions, and demo walkthroughs are conducted to familiarize learners with the examination environment.

Relative Grading System

Grading is based on a relative performance scale to ensure fairness across diverse learner groups.

Robust Multi-Stakeholder Support System

Dedicated assistance is provided before, during, and after exams by our tech support team, learner support team, examination and evaluation cell, live proctors etc.

Continuous Updates

Semester-long updates and coordination through course coordinators and academic teams keep learners well-informed.
